Unit 1 external exam takes place in January.

**Cultural Capital**  
Experiencing a range of musical styles; developing independent learning and resilience through practice of skills

**Course Outcomes**  
End of Year 11:  
Students are prepared for further vocational studies in music.  
Students are confident performers.

Curriculum supported by lunchtime clubs and peripatetic music tuition

Students plan, promote and deliver a music experience – “The BTEC show”. They also present a review of the management process.

4..Managing a Music product (Unit 2)

Students complete their performance portfolios and present a review of their performance skills.

3. Developing performance skills (Unit 5)

3. Introducing Music Sequencing (Unit 7)

Students submit completed sequencing coursework for both learning aims.

YEAR 2

Students learn the necessary skills to operate computer sequencing and MIDI software. They will use this to create music that fits a brief. THIS IS COMPLETED IN YEAR 2

3. Introducing Music Sequencing (Unit 7)

Students learn about the music industry in preparation for the January series of exams.

2. The Music Industry. (Unit 1)

1.Introduction to music performance (Unit 5)

Students develop skills in their chosen instruments and compile a portfolio of rehearsal and performance evidence. THIS IS COMPLETED IN YEAR 2

YEAR 1
