

# Silver Arts Award Enrichment 2021

## General overview of the course

The Silver Arts Award is a Level 2 Award in the Arts presented by Trinity College London. It is equivalent to a GCSE qualification. There is no prescribed content so you get to choose the art form and the skills that you want to learn. Along the way you will set yourself challenged and continually evaluate your progress.

Your work will be internally assessed at school and then your portfolios may be sent for moderation. There are various opportunities for moderation times depending on when you complete all your activities. Certificates arrive within 6 weeks of moderation. Arts award looks good on your UCAS application because it shows that you can be creative and gives you an opportunity to show how you have applied your leadership skills.

## Course Outcomes

The free-choice nature of the syllabus allows you the flexibility to choose an art form that you really enjoy. You do not have to do the same art form for Unit 1 and Unit 2 which makes it even better! You will learn to improve your skills in your chosen area but you will also learn other transferable key skills such as effective planning, self evaluation and leadership.

Examples of art forms include:

- Music
- Dance
- Drama
- Art
- Calligraphy
- Photography
- Portraiture
- Sculpture
- Graffiti art
- Singing
- Painting
- Knitting
- Sewing
- Make up artistry
- Film making

And many many more.
