

Holly Lodge High School Leadership Enrichment 2021

General overview of the course

This Leadership Enrichment course will offer you qualifications which will be useful in any aspect of your life and career. We offer the opportunity to gain experience in many different activities from vocations qualifications, to Adventurous Training Activities and Qualifications.

Through the way the activities are funded, we can offer many more opportunities throughout your Enrichment Programme.

Cultural Capital

You will learn more about yourself as a person, finding out the skills you are good at and those you wish to develop.

Learn what it takes to be an effective part of a team and how to lead a team.

You will learn how to problem solve and reflect back on your experiences

Adventurous Training Activities and Qualifications **RCN Nursing Cadets Scheme**

Our partners within the CCF can offer you unique opportunities, such as the RCN Nursing Cadets Scheme, which Holly Lodge CCF is the only school in the UK to offer this. This scheme guarantees a 20 hour placement in an NHS setting of your choice. We can offer National Governing Body Adventurous Training Qualifications and also the DofE award at Silver level.

Gliding (RAF only) **Parachuting**

Expeditions Drill

The unique way the CCF is funded, allows us to offer many activities you may have only dreamed about doing. From Shooting to Gliding, Drill to Parachuting. Most of these activities can be on school grounds, but any other activities will be subsidised by the MOD.

Navigation **Shooting** **CCF Experience**

These qualifications will improve your Leadership and Personal skills, enhancing any UCAS or job application.

Vocational Qualifications **BTEC Lv 2 in Teamwork and Personal Development** **First Aid at Work** **ILM Lv3 in Leadership and Management**

Duke of Edinburgh Award

Course Outcomes

The activities on the Leadership Enrichment course are first and foremost FUN. Learning and gaining qualifications while enjoying yourself and doing something other than sitting in the classroom. Qualifications and skills which will set you up for life and make your applications stand out from the crowd
