Dear Parents and Carers

Now the weather is improving it's great to see so many students joining the sports clubs. Take a look at the enrichment schedule [here](#) to see what's available. Our U13 boys' cricket team recently took part in the Sandwell Indoor Cricket Tournament where they came fourth. Well done lads; Muhammed I, Rupinderjeet S, Gavenpreet S, Cameron H, Yusuf Y, Ubaidullah N. Taha A, Saqib I and Raja R. Good luck to the U15s who play next week.

Last weekend some Y11 students spent a weekend away at Edgmond Hall, a beautiful Georgian farmhouse in the Shropshire countryside. The students had great fun competing in team building exercises as well as learning in their core subjects, in preparation for their exams next term. It's so brilliant that trips are becoming part of school life once more, allowing us fulfil our vision around Opportunity.

Some Key Stage 3 students from our Combined Cadet Force also took a trip to sunny Shropshire, to have their first taste of Military Camp, where they tested and polished their navigation skills. The students were impeccably behaved, as always. Thank you to all Senior Cadets, CFAVs and all staff at Nesscliffe.

It was so great to see all the fundraising ideas for Red Nose Day last week, particularly well done to Aleena M & Harvey N in 9E, who raised over £50 with their sponsored silence!

I am so pleased to be opening my office door to any parent or carer who would like to meet with me, please see the image on the next page for dates, you can email head@holly-lodge.org to book your appointment.

Our Ambition Academy catch up session are going well and now include years 8, 9, 10 and 11. The students are working hard and we have regular contact with home. I would like to thank our current and leaver sixth formers who are

supporting with the academy.

This week, some Sandwell College drama students came in to deliver a performance to years 8 & 9 on common issues and concerns that face pupils in school. It looked at mobile phones, social media and unhealthy relationships. It was a great session and the students engaged well during the performance. Also this week we held a session on sex and relationships for year 10 students.

I wanted to remind you that we have a staff training day coming up after Easter break, so students are not expected back to school until Tuesday 26th April. This date will also mark the start of Y8 internal exam week.

I'd like to take this opportunity to thank those parents who are reminding students that they must not have electronics in school, this includes air pods. If any member of staff sees electronics in school then they will confiscate them and the item will need to be collected at the end of the day, if there is a repeat occurrence then parent/carers will be asked to collect. Please remind students that they must not use their phones at all during the school day.

I know that many students are looking forward to the rewards day on 8th April. The conditions of participation are: no more than 1 late and over 97% Attendance. Students also need 6+ points. We look forward to celebrating all the good behaviour we see in day in day out in school!

Take a look at our Twitter to see our Science Week activities, just click this link [HollyLodge B67](#).

I hope you enjoy the sunshine over the coming weeks.

Best Regards

1.

Well done! | ਬਹੁਤ ਖੁਸ਼ | ਸਾਵਾਸ਼ | بت اچھے

Thank you to @unibirmingham for hosting some of our students at their Masterclasses this week. Yr12 are using their time wisely and making the most of all #opportunities

A huge well done to Aleena M & Harvey N in 9E, who decided to do a sponsored silence day for Red Nose Day on Friday. They raised over £50!! #Rednoseday #community #charity
