Dear Parents and Carers

Wow, what a first two terms! I wanted to take the opportunity to reflect on my time at Holly Lodge High School and to communicate our plans to build upon our progress for the next academic year.

It's fair to say that these last 7 months have absolutely flown by for me. I imagine it's a combination of trying to get the school back in to pre-pandemic routines, as well as making so many new relationships with students, parents and staff. My first priority was to define the vision and values of Holly Lodge; Ambition, Opportunity, and Community, and I have to say I have witnessed the students and staff living these values day after day.

I implemented a simple change, as requested by the students, to allow them to wear PE kit all day on PE days, this also ensures that learning time is not lost by students getting changed in to and out of PE kit. We have had many trips and visits in school such as the CCF training events, the photo workshop from Canon and our rewards inflatables day, as well as loads of sporting achievements (too many to mention!) and performing arts occasions like the recent Modulo Orchestra trip to Birmingham.

We held our first Culture Day, where staff and students could dress in cultural dress. We maintained an Ofsted rating of Good. We held our centenary celebrations of a VIP dinner and family fun day. We have had so many opportunities available to students and I am delighted to see so many of them joining in and having a go. I would like to thank all parents and carers for their support and to remind everyone that I will continue my 'Meet the Head' session in the coming year.

Sadly, we are saying goodbye to some of our members of staff, and we wish good luck to the following: Winston Bigford, Fahima Khalil, Lucy Hill-Brown, Rizan Cassim, Gerard Madden, Rachel Murphy, Bradley Dymond, Harwinder Kaur,

Sara Rahim and Angela Richards. In September we very much look forward to welcoming our 18 new members of staff.

Looking ahead to September, you can see the start dates and times on the next page. I look forward to seeing all students looking smart in their uniform. Please take a look at our website to see the latest uniform and new PE kit (you do not have to buy new kit until the old kit is outgrown). I do not expect to see students returning with extreme make up or hair styles, or piercings and coloured nails.

I must urge you to keep us updated with your correct email address and mobile phone number as email is our preferred method of communication for speed and convenience for all. I would also ask that you please call us if your child is not able to attend school, choosing option 1 to leave a message.

We will have many more opportunities in the coming year, and I am really excited to see what the year hold for us.

You will have seen the exciting message regarding our new school day, I have included the lesson times on the next page, for your information. For our new Y7 students, we will be releasing them at 15.05 for the first 4 weeks to give them a chance to get to know the staff and building. I would also like to confirm that Y10 and 11 will use the Marshall Street exit only, at the end of the day.

Finally, I hope that you have chance to spend time with family over the holidays, and perhaps enjoy some of the wonderful events on offer in our community, including the Commonwealth Games. Congratulation to our very own baton bearer, Fardin H in Y11!

Have a wonderful and safe summer.

Best Regards

1.
