IIQ/LAS/Temperature in School

18th July 2022

Dear Parents & Carers,

Temperature in School

I am writing to inform you that regrettably and due to the excessively high temperature we will be forced to close the school tomorrow, Tuesday 19th July 2022.

With the external temperature as high as it is, it is difficult to manage comfortable working spaces within the building and it can present significant risks. We have spent today assessing these risks and how we can mitigate against them, but it is clear that conditions have been very difficult for students and staff. This has not been an easy decision to make but I feel we have no option.

Learning for tomorrow will move online and students will be able to access their normal lessons/work timetable via Microsoft Teams following their 5 period timetable. School will open as normal on Wednesday 20th July 2022 and all students are expected to attend.

If you feel you need additional support with your child attending school during this time please contact richardson2@holly-lodge.org

The summer terms ends on Thursday 21st July 2022, students will be dismissed between 12 midday and 12.30pm.

Many thanks for your support and understanding

Yours faithfully

Mr Imran Iqbal
Headteacher
