Dear Parents and Carers

This week we have held our open evenings for Year 6 students and their parent and carers, and our sixth form event for Y11 students. It was wonderful to welcome so many Year 6s and their families to our Year 6 Open Evening on Thursday. The range of subjects on offer was so inspiring, and it was a delight to see our staff and students present so passionately about all the wonderful learning that happens here at Holly Lodge. Our student helpers did us proud as always and we are very much looking forward to next September when we will welcome our new cohort of Year 7s.

The sixth form event was well attended, and I know that Ms Dunn, Director of KS5, was delighted to introduce our newest course for September 2023; Education and Childcare T Level. This is a great full-time course that includes traditional classroom learning with hands on experience. It's a popular course and places are filling up quickly!

For those parents and carers who were unable to attend either open evening you can find both our prospectus on this page <https://holly-lodge.org/joinus/>.

Thank you so much to all parent and carers who generously sent coins for our fundraising drive to support the Pakistan floods. The students were excited to be involved and we raised more than £400. The funds have already been shared with the charity and our thoughtful students also sent some personal messages for the victims.

Our new Year 7 students recently had their log in information for Parent Pay and ClassCharts, thank you to those who have logged in already. Can I ask that you set up your accounts and save you log in information as Parent pay will be required for any trips and can also be used to top up for school meals. ClassChart is an excellent way for parents and carers to check on homework. You can find more information here <https://holly-lodge.org/home-learning/>. If any parent or carer needs a reminder of their log ins, please ask your child's tutor.

You will shortly receive a copy of the data that we hold for your child. Please ensure that this is checked and returned to us as soon as possible so that we can ensure we have your latest information on file.

I am always pleased to see the wealth of free events taking place for young people in our community, please keep an eye on our Twitter feed where we try to share these opportunities for all to see.

Don't forget that next Friday is a staff training day and school will be closed to students. You can find all our term dates on the school website.

I hope that you have a pleasant weekend.

Best Regards

1.

A busy few weeks for the Sixth Form Team!
#Ambition #Opportunity #Books

Our caring students wrote messages of support for those affected by the #PakistanFloods - showing their support for others in our global community
#globalcitizen #community

YEAR 8/9 BOYS FOOTBALL

A good turnout tonight but more numbers needed across the year groups ahead of school fixtures starting.

If you want to be representing the school, get yourself to practice every Tuesday 3:20pm-4:25pm

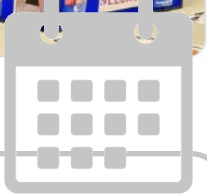

#ambition #opportunity #community

Our coin line has made a healthy start, let's see how it looks at the end of the day! #PakistanFloods
#Community #Giving

All set up for Open Evening. We start in the Hall at 6pm. See you there!
